On separate pages (preferably typed), describe your current research, emphasizing how it would benefit from research at the Kentucky Historical Society. Scholars and graduate students should attach a C.V. and a prospectus, but they should also note specific interests they have in collections at KHS. Family historians should mention the most prominent surnames they are researching and the Kentucky connections of these families. K-12 teachers should provide a unit proposal.

Fellowship applications are due **at KHS** by April 30, 2006, with grantees to be notified by May 16. Grantees will be required to provide their Social Security numbers for tax purposes. Because of state regulations, Kentucky state employees are not eligible for these fellowships. (Kentucky public-school teachers and state university employees are eligible, however.) Fellowship recipients from the previous year are not eligible for fellowships in the same category.

Applications should be mailed to Dr. Doug Boyd, Kentucky Historical Society, 100 West Broadway, Frankfort, KY 40601-1931. If you have any questions, please contact Doug Boyd (Doug.Boyd@ky.gov).

The Kentucky Historical Society is an agency of the Kentucky Commerce Cabinet.
